

Aura 204

2.0 Channel Speakers with Headphone Jack

AURA 204, a NPR Comtech 2.0 Channel Speakers with Headphone Jack is perfect and simple for any small area audio use making it convenient for use in Homes, Conference Rooms, Meeting Rooms, Classrooms, etc. Due to its compact size it does not take up too much space, yet still stands securely. The design does not just give the set a modern look that is perfect for any flat-screen monitor, it also produces great sound in all ranges (Low, Mid & High). Another contemporary feature is the

speaker's USB cable which powers the speakers from, most of the 5V Output USB power source. Along with a volume control, the speaker also has a 3.5mm socket for connecting headphone.

Features

- Active stereo speaker system
- Stylish design
- Large Volume control Knob
- Headphone Jack for individual listening
- Body made of Impact Resistant ABS Plastic
- Front Metal mesh protection,
